

# NGUYEN NHAT TAN

Junior

## EXECUTIVE SUMMARY & CAREER OBJECTIVE

I am a software engineer with over 1 year of experience. As a self-motivated and logical thinker, I quickly understand new concepts and technologies. I can effectively execute tasks in a high-energy, fast-paced development environment. I have experience in developing web applications and services, and I am always willing to learn new technologies related to the project. I have programming experience using Java and React.
